Safe Handling Precautions: Keep away from children and pets.

Safety Storage Precautions: None

Section VIII - Exposure Controls/Personal Protection

Exposure Limits: None established

Engineering Controls: None

Personal Protection: None required for normal consumer use.

Section IX - Physical and Chemical Properties

Appearance: Fiber air freshener in a can with characteristic odor.

Odor: Multiple aromas

Odor threshold:

pH: Not Applicable
Melting point/freezing point: Not Determined
Initial boiling point: Not Applicable

Flash Point:

Lower and Upper Explosive Limits (LEL):

Evaporation Rate:

Flammability (solid,gas):

Vapor Pressure:

Vapor Density:

Not Determined

Solubility: Insoluble

Specific Gravity: Not Determined

Partition coefficient (n-octanol/water):

Auto-ignition temperature:

Decomposition temperature:

Viscosity:

Not Determined

Not Determined

Not Determined

Section X - Stability and Reactivity

Reactivity: None known

Stability: Stable under normal conditions.

Possibility of Hazardous Reactions:

Conditions to Avoid: None known Incompatibility: None known

Hazardous Decomposition Products: Carbon oxides, nitrogen

Section XI - Toxicological Information

The fragrance used in this product is formulated to comply with the International Fragrance Association (IFRA) and CAR-FRESHNER Corporation's guidelines regarding their safe use in consumer products.

Routes of Exposure and Potential Health Effects

Eye: Skin: Inhalation: Ingestion:
